How to Purchase

Please send your enquiry to emma@ef-jewellery.co.uk

I aim to fill orders within 2-4 weeks if not sooner. If you have a particular deadline please include this within your initial enquiry and I will do my best to accommodate it.

As every piece is different, because of the hand printed pattern, a selection of images may be sent for selection (these may be complete pieces or work in progress), time and stock permitting.

When the order is ready an invoice will be sent and your order will be sent (by Royal Mail Special Delivery) once payment is received.

Payment can be made by cheque, bank transfer, or credit/debit card via Paypal.

A note regarding rings-

With rings getting the size right can be a little tricky so I will often send a selection of bands to try for size, please be aware that this can add some extra time to an order.

If a ring is the wrong size it is **not possible** to resize it. I may be able to remake it, but it is difficult and there is an additional charge of £15 for this service

A list of current retailers can be found on the “About Emma” page of my website
